

BASTEEL

PERIMETER SYSTEMS™

YOUR STRONGEST INVESTMENT IN FENCING

ARCHITECTURAL

Aesthetic fence screening for rooftop equipment, mechanical / utility yards, HVAC, and dumpster or recycling areas

SECURITY

Fence and gate systems that provide varying levels of perimeter security to meet site needs

INFINITY GATES

Robust swing and cantilever gate systems to provide site access, ease of use, and longevity

"We appreciate the quality of the product that BASTEEL delivers - especially the support after the sale."

CONDA RICHARDS, R.A.
ENGINEERING FLIGHT CHIEF
U.S. AIR FORCE

ABOUT

BASTEEL is a 4th generation family-owned business founded in 1946. Our values, commitment to quality, and a focus on exceeding customer expectations drove our investment in the fencing industry. Our products have earned a strong reputation for superior durability, performance, and aesthetics.
